

Phoenix Audio Technologies Will Exhibit for the First Time at Integrated Systems Europe 2014

BURBANK, Calif.—([BUSINESS WIRE](#)) —[Phoenix Audio Technologies](#), a world leader in real-time audio communications, will participate for the first time at Europe’s largest tradeshow for the professional AV industry — [Integrated Systems Europe \(ISE\)](#) 2014 in Amsterdam.

“We are very excited to attend ISE this year,” says Jonathan Boaz VP of Sales and Marketing at Phoenix Audio Technologies. “It is a great opportunity for us to showcase our best in class audio solutions for the European AV industry.”

Phoenix Audio Technologies will showcase their entire range of solutions for video conferencing and audio conferencing applications in Hall 12 - Booth A80.

About Phoenix Audio Technologies

Based in Southern California, Phoenix Audio Technologies is a leading innovator of audio communication solutions, striving to provide audio and video conferencing with simple-to-install, easy-to-use, high quality audio. The company designs and manufactures products that address the fast pace changes in communication trends, conferencing environments, and connectivity technologies. Phoenix Audio’s proprietary audio algorithms aim to improve the communication experience and enable people to speak freely and naturally with as little compromise in quality as possible.
